Oliver Hoover School Song

Oliver Hoover Elementary is the school for me.
Kindergarten, one, two, three, four, five it’s the place to be.
The feeling that we all have here is the one of pride.
Each classroom has a special touch molding us inside.
At Hoover Elementary School we strive to be the best.
It’s plain to me oh can’t you see, we soar above the rest.
Biography

The school is named after Oliver Hoover. Mr. Hoover was born in Miami and was a graduate of Dade County Public Schools: Shadowlawn Elementary, Miami Jackson Junior and Miami Edison Senior High. He worked for several years for the Florida East Coast Railway as a machinist before entering the University of Miami, where he earned a Bachelor of Arts Degree and a Master’s Degree in Education.

Mr. Hoover accepted his first job as a substitute teacher at Miami High School and stayed for 17 years, 15 as Dean of Men from 1930-1945. He then became Principal of Coconut Grove Elementary School until his retirement. Mr. Hoover also assumed many leadership roles in the community, including positions with the Boys Scouts, the University Baptist Church and the Lions Club. Members asked the School Board to name a school after Oliver Hoover, who died in 1972 at the age of 84.

The dismissal bell will ring at **1:50 p.m. at the PLC** and at **1:50 p.m. and 3:05 p.m. in the MAIN BUILDING.**

  The early release of students causes disruption to the academic performance of all students and may create safety and security concerns. No students shall be released within the final thirty (30) minutes of the school day unless authorized by the Principal or Principal's designee (i.e., emergency, sickness).

- **Late Arrival**
  Students who are tardy to school must report to the Attendance Office to secure an admit. Excessive tardies may result in loss of privileges, detention, parent conference, and/or suspension.

- **Lost and Found School Policy**
  There is a lost and found box in the main office. You or your child may come in to locate items as soon as they are missed. Staff members are not authorized to open classrooms after dismissal. If students leave items in their rooms, they will have to wait until the following day to retrieve them. Periodically, unclaimed items are donated to Goodwill.

- **Opening and Closing Hours of Schools**
  The school day begins at **8:35 a.m.** for students in Second Grade through Fifth Grade and at **8:20 a.m.** for Pre-Kindergarten, Kindergarten, and First grade students. **Students should NOT arrive at school earlier than 8:00 a.m., unless they are eating breakfast. There is no supervision prior to 8:00 a.m. at the main campus and 7:45 a.m. at the PLC.** Pupils in pre-kindergarten, kindergarten and first grade (both campuses) are dismissed at 1:50 p.m. every day. Students who have not been picked up by **2:20 p.m./3:35 p.m. in the Main Campus and at 2:20 p.m. at the PLC** will be allowed to use the school telephone to try to obtain transportation home. Security personnel will stay with the students in a designated classroom. **Parents are expected to pick up children promptly in order to ensure their safety after school hours.** If a child has not been picked up by **5:45 p.m.**,
staff will contact the local police precinct so that the child can be transported to the police station before the school closes at 6:00 p.m.

**Academic Programs – Student Progression Plan (SPP)**

Provides guidance to teachers, school and district administrators, parents and other stakeholders regarding the requirements and procedures for students to progress from one grade to the next, kindergarten through grade 12 and adult education. The information presented in this document is derived from requirements set forth by Florida Statues, State Board of Education Rules and Policies established by The School Board of Miami-Dade County.

**Bring Your Own Device (BYOD)**

Bring Your Own Device allows students, parents, staff and guests to use their own technology during the day to enhance the learning experience. Examples of the types of technology which can be used are Windows laptops/tablets, Mac laptops, Android tablets, and iPads.
Clinic
The school clinic is open for emergencies only. Oliver Hoover Elementary does not have a nurse, or other personnel, to staff the clinic. When a child is sent to the clinic because he/she does not feel well, the child may remain in the clinic only for a brief time until he/she feels well enough to return to the classroom or the parent arrives to pick the child up from school. We emphasize the importance of regular attendance, but children should not be sent to school when they are ill. Pupils with communicable diseases or contagious disorders must not attend school. If a child becomes ill enough to go home during the school day, school personnel will notify the parent.

Closing of School
The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

Dismissal

- **Bicycles/Skateboards**
  Only students in grades 2-5 are allowed to ride and bring bicycles to school. Parents should be aware that bicycles are not monitored during the day to prevent theft and/or vandalism, and the school is not responsible for lost, stolen or vandalized bicycles, even if they are locked. Because of safety concerns to themselves and others, students are NOT allowed to ride skates or skateboards, razors or scooters or use “heelies” (shoes with wheels on the heel) on school property. In addition to safety issues, there is also no way to secure these items and they are frequently stolen. No exceptions will be made to this rule.

- **Rainy Day Dismissal**
  On rainy days, students will remain sitting under the covered walkway with the supervising teachers. Designated personnel will use umbrellas to escort the children to the cars. It would be useful for the students to bring their own ponchos or umbrellas. The parents of students who walk home should send the teacher notification of any special arrangements to be made on rainy days.

- **Student Drop-Off Pick-up**
  All automobile drivers at, and near, the school must use great caution to protect our youngsters. Parents dropping off or picking up children are to use the drop-off lane in the front of the main school and on the side of the Primary Learning Center. Parents must remain in their cars and may never leave their vehicles unattended in these locations. They should never block the drop-off lane or enter the parking lot, especially at arrival and dismissal times. Parents should display on their car’s dashboard a sign with their child’s name, grade level, and homeroom teacher’s name. The school parking lots are for the use of faculty, staff and delivery personnel. Parents are not allowed in these lots. There are no parking facilities for parents or other visitors. Parents and visitors must find parking at other parking locations in the community.

Elevator
The school elevator is to be used by individuals who are handicapped/injured and cannot use the stairs.
Emergency Contact Information
Emergency Student Data Forms are distributed during the first week of school. Students are expected to bring the forms home and present them to their parents/guardians. The form must be carefully completed and returned. The information provided on the Emergency Student Data Forms will enable school staff to contact the parent/guardian immediately in the case of an emergency. Students may only be released from school to the persons listed on the form after presenting a picture identification. No persons, other than school staff, will have access to the information submitted.

Fieldtrips
All fieldtrips must be approved by the principal and Region Superintendent. Participation in fieldtrips requires that the student present a fieldtrip form signed by the parent/guardian to his/her teacher(s) in advance. In addition, at times vendors who have a “no refund” policy will require schools to pay the full amount of the fieldtrip prior to the event. In this case, students/parents will be notified in advance of the vendor’s “no refund” policy.

Learning experiences appropriate for the students’ age may be offered to your child through field trips planned by the teacher. These field trips are extended classroom instruction and will be specifically related to subjects being studied. All trips are adequately supervised to provide a safe environment. Teachers and/or administrators make the final decision as to who may attend a particular field trip. Students must adhere to the school’s attendance/tardy policy in order to be eligible to participate in field trips.

In order for a child to participate, each parent must sign a Field Trip Permission Form and return it to the teacher by the due date. Fees for transportation, entry to events, and food must be provided by parents, and are assessed at the least possible amount. Transportation fees are non-refundable; other fees may or may not be refundable depending on the prearranged obligations of the school.

Deadlines for return of permission slips and payment of money will be noted on the field trip permission slip. No field trip form will be accepted past 8:30 a.m. on the day listed as the deadline. NO EXCEPTIONS WILL BE MADE!

Students who are excessively absent or tardy and/or who have continuous disciplinary action will not be allowed to go on a field trip.

Homework
Principals are encouraged to work with teachers and parents to implement guidelines found in Homework Policy 2330. Teachers are required to provide students with make-up assignments once the absence has been excused; however, it is the responsibility of the student to request the assignments from the teacher(s).

Homework is any activity or assignment directed by the teacher to be performed outside the classroom that may include practicing knowledge or skills learned in class. Research indicates the following:
Elementary grade homework should focus on establishing study habits and learning skills. The amount of homework increases significantly as a student progresses through school. Homework should be necessary and useful, appropriate to the ability and maturity level of students, well explained and motivational, and clearly understood by students and parents. Homework should have a clear purpose, be tied to current subject matter, assigned in amounts and levels of difficulty which students can complete successfully and should be checked quickly, with feedback to students. Giving homework on a regular basis may increase achievement and improve attitudes toward learning.

As such, homework is important to student learning at Oliver Hoover Elementary School, and the purpose of this Homework Plan is to guide teachers, parents and students in ensuring that homework is meaningful and supports the learning experience of all students.

Homework can be assigned for different purposes: (1) to PREPARE information or materials for future learning activities (e.g. gather resources, read something for a class discussion, or rehearse for a presentation), (2) to PRACTICE new knowledge or skills (e.g. read for pleasure, practice physical skills, practice a musical instrument, use knowledge to complete a project, or practice basic literacy and math skills.), and/or (3) to ENRICH students’ understanding of a topic and apply it in new ways (e.g. research local news, investigate a science experiment, write daily or weekly reflections in a journal, or apply skills to a class project).

Teacher Guidelines
- Review, discuss and return, if collected, homework in a timely manner.
- Whenever possible, communicate and coordinate assignments so that students do not receive an overload of homework.
- Explain homework assignments to the students prior to the assignment. Teachers shall communicate homework assignments in at least one of the following ways: send a packet home, write assignment on the board, require students to record it, and/or make available through emails, websites or hotlines. The use of a variety of strategies is encouraged.
- Teach techniques that can help students allocate their time wisely, meet their deadlines, and develop good personal study habits.
- Communicate with parents to inform them about homework expectations, policies, and procedures.
- Communicate ways in which parents can best assist their children in doing homework independently.
- Communicate with parents at the earliest possible opportunity once the student has demonstrated consistent inability to complete homework.

Parent Guidelines
- Provide a quiet space and basic materials for homework completion.
- Teach techniques that can help children allocate their time wisely, meet their deadlines, and develop good personal study habits.
- Monitor time management and productivity.
- Review school provided materials (for example Binder Reminder, class handouts, and/or online resources).
Communicate with teachers at the earliest possible opportunity once the child has demonstrated consistent inability to complete homework. If necessary, parents shall attempt to reach accommodation with their child’s teachers regarding homework.

**Student Guidelines**
- Complete homework as assigned.
- Record homework when assigned in class by the teacher.
- Seek clarification and assistance from teachers when unclear about homework.
- Use class time provided for completing classwork and/or starting homework.

**Homework Time Expectations**
The recommended minutes include assignments for all subject areas and teachers collectively per school day:
- Grade K-1: thirty (30) minutes
- Grades 2-3: forty-five (45) minutes
- Grades 4-5: sixty (60) minutes

**Make-Up Work**
Students who miss school work because of an excused absence shall be given the opportunity to complete all assignments and tests that can be reasonably provided. As determined by the teacher, the assignments and tests shall be reasonably equivalent to, but not necessarily identical to, the assignments and tests missed during the absence. Students shall receive full credit for work satisfactorily completed within three (3) school days upon the return to school. After successful completion of all make-up assignments, the student cannot be penalized for that absence. **Please note that parent/guardian must request make-up assignments. Failure to make-up all assignments will result in lower assessment of the student's academic and/or effort grade.**

Excused absences include the following:
- **Student Illness** – Parent note is sufficient; however, students missing five (5) or more consecutive days of school due to illness or injury are required to provide a written statement from a healthcare provider. The written statement must include all days the student has been absent from school.
- **Medical Appointments** – A written statement from healthcare provider indicating the date and time of the appointment must be submitted.
- **Death in Family**
- **Religious Holiday** (only holidays on District’s approved list are excused)
- **Subpoena by Law Enforcement Agency or mandatory court appearance**

All absences that do not fall into one of the above excused categories are to be considered UNEXCUSED (i.e. vacations, trips out of the country, illness of others, etc.).

**ALL UNEXCUSED ABSENCES WILL RESULT IN A ZERO (0) BEING ISSUED FOR ANY WORK MISSED ON THE DAY OF THE UNEXCUSED ABSENCE.**
Mealtime Environment
School lunchtime should be an opportunity to encourage healthy lifestyle, promote socialization that will affect early behaviors.

The Department of Food and Nutrition serves healthy meals daily. Please visit nutrition.dadeschools.net for details on menus, programs, and services.

- **Free Breakfast**
  Miami-Dade County Public Schools offers breakfast free of charge to all M-DCPS Students. The breakfast at no charge is not dependent on the student qualifying for free/reduced price meals at lunch.

- **Free/Reduced Price Lunch Program**
  The USDA Child Nutrition Programs as administered by Miami-Dade County Public Schools provide free and reduced priced lunch for children unable to pay the full price. In place of the paper application, School Meal Program Brochures are distributed to all students informing parents on the application process and meal program. Parents are encouraged to complete an online application at freeandreducedmealapp.dadeschools.net. Paper applications are available in the school front office upon request. Many students are approved through Direct Certification and do not submit a lunch application. If approved for meal benefits, the approval status is valid throughout the school year, the summer, and approximately the first twenty days of the next school year.

- **PAYPAMS**
  Miami-Dade County Public School’s Department of Food and Nutrition allows parents/guardians the convenience to pay online for their child’s meals with a credit or debit card at paypams.com. Parents/guardians create an account in PayPams for the child, and will be able to access the following:
  a. view the account balance
  b. schedule automatic payments
  c. receive low-balance e-mail reminders
  d. view a report of daily spending and cafeteria purchases
• **Peanut Allergies/Peanut-Free School**
  Parents/Guardians should notify the school principal of any allergy or other medical condition their child has and request the appropriate forms for completion.

**Parent Academy**
Miami-Dade County Public Schools created The Parent Academy to bridge the gap between home and school by connecting parents to valuable resources and information, which answers questions on topics that impact children’s lives, including helping children learn, parenting skills, financial management, and health and wellness.

The Parent Academy supports parents in becoming more involved in their children’s education and empowers them to set and achieve personal empowerment goals for higher education and career advancement by providing free, year-round workshops, classes and events at schools, libraries, parks, colleges, private businesses and neighborhood centers across the county.

Parents can participate in workshops and classes that are aligned to their needs and convenient to their homes and workplaces. Upcoming events and workshop offerings are listed on The Parent Academy website at parentacademymiami.com. For additional information, please call The Parent Academy at 305-995-2680.

**Protocol for Addressing Concerns**
For issues involving an individual teacher or class, parent/guardian address their concerns to the following individuals in the order below.
Recess
Recess is supervised, unstructured playtime where children have choices, develop rules for play and release energy and stress. Recess will be conducted outdoors when weather permits. In the case of inclement weather, appropriate recess activities will be conducted indoors.

Schools shall provide at least 100 minutes of supervised, safe, and unstructured free-play recess each week for students in kindergarten through grade 5, so that there are at least 20 consecutive minutes of free-play recess per day.

Safety and Security

- **Code Yellow/Code Red**
  In the event of an emergency, the primary responsibility of all school personnel is to provide for the safety of all students. In the event a school administrator announces a possible threat to students and staff safety exists within the community (Code Yellow), or an imminent threat to students and staff safety exists within the school (Code Red) students, faculty and staff will comply with all the procedures outlined in the Miami-Dade County Public Schools Critical Incident
Response Plan and remain on lockdown until a school administrator makes an “All Clear” announcement.

• **Emergency Operations Plan**
Student and employee safety is a primary concern of the Miami-Dade County Public School (M-DCPS) System. The Emergency Operations Plan (EOP) was created to provide school personnel with the necessary leadership skills and knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school, and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:
  o Remain calm;
  o Monitor media outlets for updates and official messages from M-DCPS;
  o Do not flood the school with telephone calls; and
  o If the school is on lockdown, wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all M-DCPS Police officers have been adequately trained in the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

BeSafe Anonymous Reporting System (Insert Flyer)
http://hoover.dadeschools.net/portable_doc/68128_Be_Safe_Anonymous_Reporting_System_Flyer.pdf

• **Fire Drills**
Ten fire drills will take place during the school year according to the Miami-Dade County Public Schools Policy and Emergency Procedures. At the sound of the emergency bell, students must stop what they are doing and follow the teacher’s instructions. Students must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom at the sound of the emergency bell must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

• **Visitors**
Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome and tours may be arranged to view the school. Classroom visits require a 24-hour notice. Visitors must first register with security at the main
entrance, sign-in, produce photo identification, and then proceed to register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

Because of limited space, security concerns and health reasons, parents may not visit the cafeteria during breakfast or lunch. Students of school age are expected to be able to eat a meal independently with their class in the cafeteria. Parents may not visit the cafeteria to feed a child or monitor the child's food intake. Teachers do not eat with the students, but cafeteria aides are available to help children open containers and to provide other supervisory assistance. Parents who have medical concerns about their child's meals should discuss the problem with a physician and the teacher.

School Activities/Clubs
All School Activities, clubs, and organizations must be approved by the principal and conform to the district policies 5845 - Student Activities, 5830 - Student Fundraising and 9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities.

- **Clubs**

  Miami-Dade County Public Schools’ students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications and class activities. School-sponsored clubs may be curriculum-related or noncurriculum-related.

  Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the school's curriculum. Conversely, noncurriculum-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of noncurriculum-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.

- **School Club List**
  - Art Club
  - Chess Club
  - Chorus
  - Environmental Club
  - Future Educators of America (FEA)
  - Safety Patrols
  - Student Council

School Class Picture Process
The school class picture monies will no longer be collected by school staff for this activity. Collection of monies will be conducted by the photographer and/or photographer’s staff.

At no time, shall a staff member, parent, volunteer, or member of a school-allied organization such as the PTA handle school class picture monies.
School Transportation
Miami-Dade County Public Schools will transport more than 60,000 students a day this school year, using a fleet of 1,300 buses on nearly 1100 school-bus routes. The service is for students who live more than two (2) miles from their assigned school and for special needs students.

Before school begins, parents/guardians of all students eligible for bus transportation will receive a post card from the school district identifying the student's bus stop and times of pick up and delivery. Information on student bus assignments will be posted on the Parent Portal at www.dadeschools.net. The information on bus assignments on the Parent Portal is updated each night. Parents/guardians are encouraged to check the Parent Portal throughout the school year to obtain the most current information on their children’s bus assignment.

Parents interested in determining their child's transportation eligibility should contact their child's school for information.

Special Education
The School Board of Miami-Dade County ensures that all students suspected of having a disability are identified, evaluated, and provided appropriate, specially designed instruction and related services, if it is determined that the student meets the state's eligibility criteria and the parent/guardian consents to initial placement.

As the parent/guardian of a child with disabilities, you are a very important member of the team that plans your child's education. Be informed and get involved. If you have any questions, please contact your child's school. Staff from the special education department and your child's student service provider will help to answer your questions. Additional information may also be found at http://ese.dadeschools.net/.

Student Records
Parents, guardians and students are protected by The Family Educational Rights and Privacy Act and the Florida Statutes from individuals’ access to information in students’ educational records, and are provided the right to challenge the accuracy of these records. These laws provide that without the prior consent of the parent, guardian or eligible student, a student’s records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders.

Each school must provide to the parents, guardians or eligible students annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.
Student Services
The program structure supports educational reform initiatives and takes into consideration current social climate and the unique issues faced by the multicultural/multilingual populations enrolled in Miami-Dade County Public Schools.

Student Success Centers
The Student Success Centers provide an educational setting and safe-haven for referred students (ages 11 and older) exhibiting Level III-IV behavior and (with Region approval) habitual Level II infractions of the Code of Student Conduct.

Toolkits
- [Back to School Toolkit](#)

Transgender
The School Board of Miami-Dade County has adopted comprehensive anti-discrimination and anti-bullying policies that require all students be treated with respect regardless of their unique characteristics, including sexual orientation or gender identity. Every student has the right to learn in a safe and accepting school environment and schools have a responsibility to provide a safe and nondiscriminatory environment for all students, including transgender and gender nonconforming students.

These guidelines are intended to promote a positive, proactive approach that upholds and protects the rights of transgender and gender nonconforming students; and best practices to ensure that transgender students and gender nonconforming students have equitable access to all aspects of school life (academic, extracurricular and social) in ways that preserve and protect their dignity.

Verifications of Residency
If verification is not provided or acceptable, the Superintendent may verify the student's residence.

Anyone who knowingly makes a false statement in writing with the intent to mislead a public servant in the performance of his/her official duty is guilty of a second-degree misdemeanor of the second degree under [F.S. 837.06](#). In addition, anyone who knowingly makes a false verified declaration is guilty of perjury, a third-degree felony under [F.S. 95.525](#).

Volunteer Program
The School Volunteer Program is responsible for electronic registration, background checks and trainings of volunteers. There are two different levels of volunteerism.
