Oliver Hoover School Song

Oliver Hoover Elementary is the school for me.
Kindergarten, one, two, three, four, five it’s the place to be.
The feeling that we all have here is the one of pride.
Each classroom has a special touch molding us inside.
At Hoover Elementary School we strive to be the best.
It’s plain to me oh can’t you see, we soar above the rest.
The school is named after Oliver Hoover. Mr. Hoover was born in Miami and was a graduate of Dade County Public Schools: Shadowlawn Elementary, Miami Jackson Junior and Miami Edison Senior High. He worked for several years for the Florida East Coast Railway as a machinist before entering the University of Miami, where he earned a Bachelor of Arts Degree and a Master's Degree in Education.

Mr. Hoover accepted his first job as a substitute teacher at Miami High School and stayed for 17 years, 15 as Dean of Men from 1930-1945. He then became Principal of Coconut Grove Elementary School until his retirement. Mr. Hoover also assumed many leadership roles in the community, including positions with the Boys Scouts, the University Baptist Church and the Lions Club. Members asked the School Board to name a school after Oliver Hoover, who died in 1972 at the age of 84.

No students shall be released within the final thirty (30) minutes of the school day unless authorized by the Principal or Principal’s designee (i.e., emergency, sickness).

• **Late Arrival**
  Students who are tardy to school must report to the Attendance Office to secure an admit. Excessive tardies may result in loss of privileges, detention, parent conference, and/or suspension.

Security personnel will stay with the students in a designated classroom. Parents will be required to go to the assigned room to sign out their children. **However, there is no adult supervision for students beyond those hours. Parents**
are expected to pick up children promptly in order to ensure their safety after school hours. If a child has not been picked up by 5:45 p.m., staff will contact the local police precinct so that the child can be transported to the police station before the school closes at 6:00 p.m.

Academic Programs – Student Progression Plan (SPP)
Provides guidance to teachers, school and district administrators, parents and other stakeholders regarding the requirements and procedures for students to progress from one grade to the next, kindergarten through grade 12 and adult education. The information presented in this document is derived from requirements set forth by Florida Statues, State Board of Education Rules and Policies established by The School Board of Miami-Dade County.

Before/After School Care Program & Middle School Enrichment After School Program
For those parents considering going back to work and/or are presently working, there are 224 low cost Before and After School Care programs that serve both Elementary and K-8 Center students and 62 Middle School Enrichment After School programs that help tutor middle school students throughout the Miami-Dade County School district. Each of these programs are staffed with state certified instructors, state certified program managers, or state certified activity leaders who are all prepared to enrich and expand the after-school experience of the students they serve. This year, Miami-Dade County Public Schools will offer 286 After School programs on school days. Before-school care programs will be provided as needed. After-school care programs are conducted from the time of school dismissal until 6:00 p.m. Before-school care programs begin approximately one hour before school starts. Summer Camp operates from 7:00 a.m. until 6:00 p.m. Parents should check with their child's school for specific start times. All after-school care programs provide planned activities, which include homework assistance, indoor and outdoor games, arts and crafts, snack time and various recreational activities. Many programs offer reading and math tutoring, music, ceramics, chess, drama and other classes designed to provide participants with a variety of educational and enrichment experiences. Before-school care programs provide supervised, quiet activities for students. The cost of Elementary and K-8 after school care is $40 per week; the cost of Middle School Enrichment after school care is $40 per week; the cost of before school care is $20 per week and the cost of Summer Camp is $100.00 per week. These programs are offered by one of seven providers:
- Miami-Dade County Public Schools Principal Operated Before After-School Programs
- Young Men's Christian Association (YMCA)
- Young Women's Christian Association (YWCA)
- Family Christian Association of America (FCAA)
- Sunshine After-School Child Care (SASCC)
- South Florida After-School All Stars (SFASAS)

Bring Your Own Device (BYOD)
Bring Your Own Device allows students, parents, staff and guests to integrate the utilization of technology devices at specified times during the instructional day to enhance the learning experience. Examples of the types of technology which can be used are Windows laptops/tablets, Mac laptops, Android tablets, and iPads.

Clinic
The school clinic is open for emergencies only. Oliver Hoover Elementary does not have a nurse, or other personnel, to staff the clinic. When a child is sent to the clinic because he/she
does not feel well, the child may remain in the clinic only for a brief time until he/she feels well enough to return to the classroom or the parent arrives to pick the child up from school. We emphasize the importance of regular attendance, but children should not be sent to school when they are ill. **Pupils with communicable diseases or contagious disorders must not attend school.** If a child becomes ill enough to go home during the school day, school personnel will notify the parent.

**Closing of School**
The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

**Community School Program**
The Community School Program offers an opportunity for the public-school system to determine the needs of the community and provides a mechanism to meet those needs. The curriculum of the Community School Program is as wide and varied as the needs of the community it serves. Community schools provide programs that are funded by fees, tuition, grants, and donations, on community school sites, in adult centers, in satellite programs, and at off-campus, non-public school locations throughout Miami-Dade County.

Each of the 39 Community Education Centers offer classes for individuals of all ages, skill levels and language capabilities. Students enrolling in language or computer classes have the opportunity to enhance the job skills needed to satisfy the demands of today’s world. Annually, thousands of people have taken advantage of these recreational and educational opportunities, and if an individual or group wants to acquire a specific new skill, Miami-Dade County Public Schools can work with each to create a class that suits the needs of all interests.

For more specific information on Miami-Dade County Public Schools Community Education and Before and After School Care programs or Middle School Enrichment After School programs, please log on to our website at [www.dadecommunityschools.net](http://www.dadecommunityschools.net) or please call Mr. Victor Ferrante, Executive Director at 305-817-0014.

**Cyberbullying**
Cyberbullying is a form of bullying that takes place virtually over digital devices such as computers, smartphones, and tablets. Cyberbullying most commonly takes place via social media, texting, instant messaging, and email. Say NO to cyberbullying! If you or someone you know is being bullied, report this information to the Bullying/Harassment Anonymous Hotline at 305-995-CARE (2273). Resources:
- [StopBullying.gov](http://StopBullying.gov)

**Discrimination/Harassment**
The School Board has a prohibition against discrimination/harassment based on sex, race, color, ethnic or national origin, citizenship status, religion, marital status, disability, genetic information, age, political beliefs, sexual orientation, gender, gender identification, social and family background, linguistic preference, pregnancy, and any other basis prohibited by law. Students are encouraged to promptly report incidents of discriminatory or harassing conduct to their
Principal or the Office of Civil Rights Compliance (CRC) so that the conduct can be addressed before it becomes severe, pervasive, or persistent. The School Board has also adopted a policy Against Bullying and Harassment with Bullying defined by state law as systematically and chronically inflicting physical harm or psychological distress on one or more students. Complaints of bullying should be reported to the Principal promptly.

**Dismissal**

- **Bicycles/Skateboards**
  Only students in grades 2-5 are allowed to ride and bring bicycles to school. Parents should be aware that bicycles are not monitored during the day to prevent theft and/or vandalism, and the school is not responsible for lost, stolen or vandalized bicycles, even if they are locked. **Because of safety concerns to themselves and others, students are NOT allowed to ride skates or skateboards, razors or scooters or use “heelies” (shoes with wheels on the heel) on school property.** In addition to safety issues, there is also no way to secure these items and they are frequently stolen. No exceptions will be made to this rule.

- **Rainy Day Dismissal**
  On rainy days, students will remain sitting under the covered walkway with the supervising teachers. Designated personnel will use umbrellas to escort the children to the cars. It would be useful for the students to bring their own ponchos or umbrellas. The parents of students who walk home should send the teacher notification of any special arrangements to be made on rainy days.

- **Student Drop-Off Pick-up**
  All automobile drivers at, and near, the school must use great caution to protect our youngsters. **Parents dropping off or picking up children are to use the drop-off lane in the front of the main school and on the side of the Primary Learning Center. Parents must remain in their cars and may never leave their vehicles unattended in these locations. They should never block the drop-off lane or enter the parking lot, especially at arrival and dismissal times.** Parents should display on their car’s dashboard a sign with their child’s name, grade level, and homeroom teacher’s name. The school parking lots are for the use of faculty, staff and delivery personnel. Parents are not allowed in these lots. There are no parking facilities for parents or other visitors. Parents and visitors must find parking at other parking locations in the community.

**Early Dismissal**

In the case of divorced or separated parents, the enrolling parent shall indicate on the Emergency Student Data Form the individual(s) to whom the student may be released during the school day.

**Elevator**

The school elevator is to be used by individuals who are disabled or injured and cannot use the stairs.
Emergency Contact Information
Emergency Student Data Forms are distributed during the first week of school. Students are expected to bring the forms home and present them to their parents/guardians. The form must be carefully completed and returned. The information provided on the Emergency Student Data Forms will enable school staff to contact the parent/guardian immediately in the case of an emergency. Parent/Guardian(s) that provide a cell phone number will receive text messages should an emergency arise. Students may only be released from school to the persons listed on the form after presenting a picture identification. No persons, other than school staff, will have access to the information submitted. Any divorced or separated parent contesting the information in the Emergency Student Data Form may seek assistance from the court governing their divorce, separation, or custody matters to compel the enrolling parent to revise the information.

Fieldtrips
All fieldtrips must be approved by the principal and Region Superintendent. Participation in fieldtrips requires that the student present a fieldtrip form signed by the parent/guardian to his/her teacher(s) in advance. In addition, at times vendors who have a “no refund” policy will require schools to pay the full amount of the fieldtrip prior to the event. In this case, students/parents will be notified in advance of the vendor’s “no refund” policy.

Learning experiences appropriate for the students’ age may be offered to your child through field trips planned by the teacher. These field trips are extended classroom instruction and will be specifically related to subjects being studied. All trips are adequately supervised to provide a safe environment. Teachers and/or administrators make the final decision as to who may attend a particular field trip. Students must adhere to the school’s attendance/tardy policy in order to be eligible to participate in field trips.

In order for a child to participate, each parent must sign a Field Trip Permission Form and return it to the teacher by the due date. Fees for transportation, entry to events, and food must be provided to parents, and are assessed at the least possible amount. Transportation fees are non-refundable; other fees may or may not be refundable depending on the prearranged obligations of the school.

Deadlines for return of permission slips and payment of money will be noted on the field trip permission slip. No field trip form will be accepted past 8:30 a.m. on the day listed as the deadline. NO EXCEPTIONS WILL BE MADE!

Students who are excessively absent or tardy and/or who have continuous disciplinary action will not be allowed to go on a field trip.

Homework
Principals are encouraged to work with teachers and parents to implement guidelines found in Homework Policy 2330. Teachers are required to provide students with make-up assignments once the absence has been excused; however, it is the responsibility of the student to request the assignments from the teacher(s).
**Homework Plan**

Homework is any activity or assignment directed by the teacher to be performed outside the classroom that may include practicing knowledge or skills learned in class. Research indicates the following:

- Elementary grade homework should focus on establishing study habits and learning skills.
- The amount of homework increases significantly as a student progresses through school.
- Homework should be necessary and useful, appropriate to the ability and maturity level of students, well explained and motivational, and clearly understood by students and parents.
- Homework should have a clear purpose, be tied to current subject matter, assigned in amounts and levels of difficulty which students can complete successfully and should be checked quickly, with feedback to students.
- Giving homework on a regular basis may increase achievement and improve attitudes toward learning.

As such, homework is important to student learning at Oliver Hoover Elementary School, and the purpose of this Homework Plan is to guide teachers, parents and students in ensuring that homework is meaningful and supports the learning experience of all students.

Homework can be assigned for different purposes: (1) to PREPARE information or materials for future learning activities (e.g. gather resources, read something for a class discussion, or rehearse for a presentation), (2) to PRACTICE new knowledge or skills (e.g. read for pleasure, practice physical skills, practice a musical instrument, use knowledge to complete a project, or practice basic literacy and math skills.), and/or (3) to ENRICH students’ understanding of a topic and apply it in new ways (e.g. research local news, investigate a science experiment, write daily or weekly reflections in a journal, or apply skills to a class project).

**Teacher Guidelines**

- Review, discuss and return, if collected, homework in a timely manner.
- Whenever possible, communicate and coordinate assignments so that students do not receive an overload of homework.
- Explain homework assignments to the students prior to the assignment. Teachers shall communicate homework assignments in at least one of the following ways: send a packet home, write assignment on the board, require students to record it, and/or make available through emails, websites or hotlines. The use of a variety of strategies is encouraged.
- Teach techniques that can help students allocate their time wisely, meet their deadlines, and develop good personal study habits.
- Communicate with parents to inform them about homework expectations, policies, and procedures.
- Communicate ways in which parents can best assist their children in doing homework independently.
- Communicate with parents at the earliest possible opportunity once the student has demonstrated consistent inability to complete homework.
Parent Guidelines
• Provide a quiet space and basic materials for homework completion.
• Teach techniques that can help children allocate their time wisely, meet their deadlines, and develop good personal study habits.
• Monitor time management and productivity.
• Review school provided materials (for example Binder Reminder, class handouts, and/or online resources).
• Communicate with teachers at the earliest possible opportunity once the child has demonstrated consistent inability to complete homework. If necessary, parents shall attempt to reach accommodation with their child’s teachers regarding homework.

Student Guidelines
• Complete homework as assigned.
• Record homework when assigned in class by the teacher.
• Seek clarification and assistance from teachers when unclear about homework.
• Use class time provided for completing classwork and/or starting homework.

Homework Time Expectations
The recommended minutes include assignments for all subject areas and teachers collectively per school day:
• Grade K-1: thirty (30) minutes
• Grades 2-3: forty-five (45) minutes
• Grades 4-5: sixty (60) minutes

Make-Up Work
Students who miss school work because of an excused absence shall be given the opportunity to complete all assignments and tests that can be reasonably provided. As determined by the teacher, the assignments and tests shall be reasonably equivalent to, but not necessarily identical to, the assignments and tests missed during the absence. Students shall receive full credit for work satisfactorily completed within three (3) school days upon the return to school. After successful completion of all make-up assignments, the student cannot be penalized for that absence. Please note that parent/guardian must request make-up assignments. Failure to make-up all assignments will result in lower assessment of the student’s academic and/or effort grade.

Excused absences include the following:
• Student Illness – Parent note is sufficient; however, students missing five (5) or more consecutive days of school due to illness or injury are required to provide a written statement from a healthcare provider. The written statement must include all days the student has been absent from school.
• Medical Appointments – A written statement from healthcare provider indicating the date and time of the appointment must be submitted.
• Death in Family
• Religious Holiday (only holidays on District’s approved list are excused)
• Subpoena by Law Enforcement Agency or mandatory court appearance

All absences that do not fall into one of the above excused categories are to be considered UNEXCUSED (i.e. vacations, trips out of the country, illness of others, etc.).
ALL UNEXCUSED ABSENCES WILL RESULT IN A ZERO (0) BEING ISSUED FOR ANY WORK MISSED ON THE DAY OF THE UNEXCUSED ABSENCE.

Honor Roll Qualifications

Schools shall provide at least 100 minutes of supervised, safe, and unstructured free-play recess each week for students in kindergarten through grade 5, so that there are at least 20 consecutive minutes of free-play recess per day.

Safety and Security

- **Emergency Operations Plan**
  Student and employee safety is a primary concern of the Miami-Dade County Public School (M-DCPS) System. The Emergency Operations Plan (EOP) was created to provide school personnel with the necessary leadership skills and knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include emergency drills/active shooter drills, the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:
  - Remain calm;
  - Monitor media outlets for updates and official messages from M-DCPS;
  - Do not flood the school with telephone calls; and
  - If the school is on lockdown, wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all MDSPD Police officers have been adequately trained in the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

BeSafe Anonymous Reporting System (Insert Flyer)
http://hoover.dadeschools.net/portable_doc/68128_Be_Safe_Anonymous_Reporting_System_Flyer.pdf

- **Fire Drills**
  Ten fire drills will take place during the school year according to the Miami-Dade County Public Schools Policy and Emergency Procedures. At the sound of the emergency bell, students must stop what they are doing and follow the teacher’s instructions. Students must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom at the sound of the emergency bell must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.
• **Lockdown Procedures**

Lockdowns are utilized in response to an immediate threat posed to students and staff. Schools have successfully performed lockdowns in response to police activity adjacent to a facility and potential armed intruders onsite. Students, faculty and staff will comply with all the procedures outlined in the Miami-Dade Public Schools Critical Incident Response Plan and remain on lockdown until a school administrator and/or law enforcement makes an “All Clear” announcement.

• **Threat Assessments**

Miami-Dade County Public Schools (M-DCPS) has a mandated set of procedures for threat assessment. A threat assessment is a problem-solving approach to violence prevention that involves assessment and intervention with students who have threatened violence in some way. When a preliminary determination is made, by the school administrator or designee, that a student poses a threat of violence or physical harm to him/herself or others is known, a Threat Assessment Team (TAT) shall be notified and shall convene to determine the best course of action. Authorized members of the TAT may obtain criminal history record information, if applicable. Students determined to be at-risk for violence will be referred for mental health services. Threat assessment and disciplinary procedures are separate processes. Regardless of whether a threat is determined to be transient, serious substantive, or very serious substantive, appropriate disciplinary procedures shall be followed in accordance with the Code of Student Conduct.

• **Visitors**

Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome, and tours may be arranged with the principal to view the school. Classroom visits require a request with 24-hour notice. Visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

Because of limited space, security concerns and health reasons, parents may not visit the cafeteria during breakfast or lunch. Students of school age are expected to be able to eat a meal independently with their class in the cafeteria. Parents may not visit the cafeteria to feed a child or monitor the child's food intake. Teachers do not eat with the students, but cafeteria aides are available to help children open containers and to provide other supervisory assistance. Parents who have medical concerns about their child's meals should discuss the problem with a physician and the teacher.

**School Activities/Clubs**

All School Activities, clubs, and organizations must be approved by the principal and conform to the School Board Policies 5845 - Student Activities, 5830 - Student Fundraising and 9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities.
• **Clubs**
  Miami-Dade County Public Schools' students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications and class activities. School-sponsored clubs may be curriculum-related or noncurricular-related.

  Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the school's curriculum. Conversely, noncurricular-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of noncurricular-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.

  **School Club List (as applicable)**
  - Art Club
  - Chess Club
  - Chorus and Bell Choir
  - Environmental Club
  - Future Educators of America (FEA)
  - Robotics Club
  - Safety Patrols
  - Student Council

**School Class Picture Process**
The school class picture monies will no longer be collected by school staff for this activity. Collection of monies will be conducted by the photographer and/or photographer’s staff.

At no time, shall a staff member, parent, volunteer, or member of a school-allied organization such as the PTA handle school class picture monies.

**School Transportation**
Miami-Dade County Public Schools will transport more than 60,000 students a day this school year, using a fleet of 1,300 buses on nearly 1100 school-bus routes. The service is for students who live more than two (2) miles from their assigned school and for students with special needs in some instances.

Before school begins, parents/guardians of all students eligible for bus transportation will receive a post card from the school district identifying the student's bus stop and times of pick-up and delivery. Information on student bus assignments will be posted on the Parent Portal at [www.dadeschools.net](http://www.dadeschools.net). The information on bus assignments on the Parent Portal is updated each night. Parents/guardians are encouraged to check the Parent Portal throughout the school year to obtain the most current information on their children's bus assignment.
Parents interested in determining their child's transportation eligibility should contact their child's school for information.

**Special Education/Section 504**
The School Board of Miami-Dade County ensures that all students suspected of having a disability are identified, evaluated, and provided appropriate, specially designed instruction and related services, if it is determined that the student meets the state's eligibility criteria and the parent/guardian consents to initial placement.

Students who are not eligible for specially designed instruction and related services in accordance with state eligibility categories but have a disability that substantially affects a major life activity may be eligible for accommodations pursuant to Section 504 of the Rehabilitation Act of 1973.

As the parent/guardian of a child with disabilities, you are a very important member of the team that plans your child's education. Be informed and get involved. If you have any questions, please contact your child's school. Staff from the special education department and your child's student service provider will help to answer your questions. Additional information may also be found at [http://ese.dadeschools.net/](http://ese.dadeschools.net/).

**Student Records**
The education records and personally identifiable information of students are protected by The Family Educational Rights and Privacy Act (FERPA) and the Florida Statutes. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders with notice prior to disclosure. Parents and eligible students are also provided the right to challenge the accuracy of their education records in accordance with the procedures outlined in School Board Policy 8330.

Each school must provide to the parent(s), guardian(s) or eligible student(s) an annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.

**Student Services**
The Division of Student Services provides prevention and intervention services to PK-Adult students throughout the District. These services focus on the elimination of social and emotional barriers that inhibit students’ academic success and prepare students to be college and career ready. An integrated team of uniquely trained student services professionals deliver these direct services to students.

The Parent Academy
Miami-Dade County Public Schools created The Parent Academy to bridge the gap between home and school by connecting parents to valuable resources and information, which answers questions on topics that impact children’s lives, including helping children learn, parenting skills, financial management, and health and wellness.

The Parent Academy supports parents in becoming more involved in their children’s education and empowers them to set and achieve personal empowerment goals for higher education and career advancement by providing free, year-round workshops, classes and events at schools, libraries, parks, colleges, private businesses and neighborhood centers across the county.

Parents can participate in workshops and classes that are aligned to their needs and convenient to their homes and workplaces. Upcoming events and workshop offerings are listed on The Parent Academy website at parentacademymiami.com. For additional information, please call The Parent Academy at 305-995-2680 or The Department of Family Support Services at 305-271-8257.

Transgender and Gender Non-Conforming Students
The School Board of Miami-Dade County has adopted comprehensive anti-discrimination and anti-bullying policies that require all students be treated with respect regardless of their unique characteristics, including sexual orientation or gender identity. Every student has the right to learn in a safe and accepting school environment and schools have a responsibility to provide a safe and nondiscriminatory environment for all students, including transgender and gender nonconforming students.

These guidelines are intended to promote a positive, proactive approach that upholds and protects the rights of transgender and gender nonconforming students; and best practices to ensure that transgender and gender nonconforming students have equitable access to all aspects of school life (academic, extracurricular and social) in ways that preserve and protect their dignity.

Verifications of Residency
If verification is not provided or acceptable, the Superintendent may verify the student’s residence.

Anyone who knowingly makes a false statement in writing with the intent to mislead a public servant in the performance of his/her official duty is guilty of a second-degree misdemeanor of

the second degree under F.S. 837.06. In addition, anyone who knowingly makes a false verified declaration is guilty of perjury, a third-degree felony under F.S. 95.525.

**Volunteer Program**
