SUMMER

May 28, 2024

Dear Parents,

With the end of the school year upon us, we know you are making plans for your child's summer vacation activities. While the summer months are a welcome opportunity for fun and relaxation, the break from school activities often causes students to experience a delay in learning upon returning to school in the fall.

Oliver Hoover Elementary is requesting that all students in 1st grade, moving up to 2nd grade, complete the attached packet before the start of the 2024-2025 school year. Parents can work with their children, throughout the summer, to help reinforce any concepts they need help with. **This Summer Packet will be picked up in August, during the first week of school, by your child's future teacher.**

Have a wonderful summer!

Best regards,

Second Grade Teachers

---

28 de junio de 2024

Estimados padres,

Con el final del año escolar que ya está próximo, sabemos que usted está haciendo planes para las actividades de vacaciones de verano de su hijo. Si bien los meses de verano son una oportunidad bienvenida para la diversión y la relajación, el descanso de las actividades escolares a menudo hace que los estudiantes experimenten un retraso en el aprendizaje al regresar a la escuela en el otoño.

Oliver Hoover Elementary está solicitando que todos los estudiantes en 1er grado, ascendiendo a 2do grado, completen el paquete adjunto antes del inicio del año escolar 2024-2025. Los padres pueden trabajar con sus hijos, durante todo el verano, para ayudar a reforzar cualquier concepto con el que necesiten ayuda. **El Paquete de Verano será recogido en agosto, durante la primera semana de clases, por el futuro maestro de su hijo/a.**

¡Que tengan un verano maravilloso!

Saludos,

Maestros de Segundo Grado

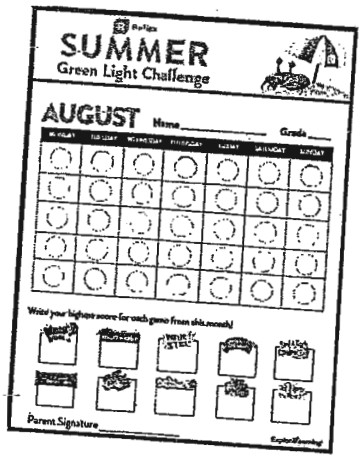
Summer Green Light Challenge

Dear Parents/Guardians,

Help your child avoid the "summer slide" and encourage them to use their Reflex account this summer! Reflex is an online, game-based program that helps students build fast and effortless recall of math facts. Research has shown that quick recall of math facts is critical for future success in mathematics.

Summer Green Light Challenge



- Have your child log each Green Light day on the following sheets.
- Ask them what their highest score is in one of the Tree house games listed on the bottom!

Parent Reporting Account Sign-Up

Your child's login

Parents can monitor their child's progress with a Free Reflex Parent Account. Use the instructions below.

1. Go to reflexmath.com/parents
2. Follow the onscreen instructions to get free access.
3. Once logged in, follow instructions to add your child.
